FREQUENTLY ASKED QUESTIONS

Here are some of the questions most frequently asked of us. We hope that you will find your answer here, but if not, please contact us. We'll be glad to assist you in any way we can.

1. PRICING

We believe a bespoke service is best. Because no client is ever the same, we don't apply a one size fits all approach to our design and manufacturing. With each quotation tailored to meet the individual needs of our clients, we respond to every changing requirement. Fashion doesn't have to cost the earth, that's why so many style savvy brands turn to Tregus. Let's see what we can do for your company.

2. MINIMUM ORDER QUANTITY

We are most comfortable manufacturing 500 units of a style, we can consider 300 belts, depending on the availability of the leather. It is easy for us to identify these styles for you, because we always carry or manufacture certain finishes/ types of leather on a regular basis.

3. PRODUCTION TIME (LEAD TIME)/ SAMPLING TIME

Our sample lead-time is 7-15 days, and bulk production time is 35-45 days when we receive the deposit and confirm the pre-production sample (PPS) with the client.

4. PAYMENT TERMS

CAD (cash against documents), LC (letter of credit) and NET (credit facility available depending on approval) payment terms available.

5. SHIPPING/ LOGISTICS

Whether you have your own nominated freight forwarders and wish to work FOB (freight on board), or would like to use our landed (delivered to your door) services via our dedicated and trusted freight forwarding and clearing agents, trust Tregus to be flexible.
